Cologne, 28 September 2021

**Declaration of Ignitability Testing acc. to IEC 61730-2:2016 and following DIN EN ISO 11925-2 Projects 21254137**

**Manufacturer:** REC Solar Pte Ltd., 20 Tuas South Avenue 14, 637312 Singapore

**Designated use:** Photovoltaic (PV) Module

**PV module types:**  
RECxxxNP2 Black  
RECxxxNP2

**Reports:** 21243208.010 dated September 2021

The material composition of the PV module is documented in the above noted test report. The test samples had a vertical flame spread within 20 s from the beginning of the exposure  $\leq 150$  mm.

The tests were performed on module types containing the critical materials acc. to IEC 61730-2:2016 and following DIN EN ISO 11925-2, as the test sample size deviates from the size as defined by the standard. Further critical materials were accepted based on manufacturer declarations acc. to IEC TS 62915:2018.

Following this standard, the results fulfil the requirements of EN 13501-1, for class E.
